

Non-permitted entity advertises a trip or program on federal lands requiring SRP

Does the advertising state which permitted entity runs the trip?

No
→

Non-Compliance

Yes ↓

Does permitted entity identify that it conducts trip with the non-permitted entity?

No
→

Non-Compliance

Yes ↓

Does permit holder collect all fees associated with the trip?

No
→

Does non-permitted entity collecting fees keep a portion as a commission, booking fee, etc. or receive any kind of compensation or dispensation which has monetary value?

Yes
→

Non-Compliance

Yes ↓

No ↓

If all collected fees are paid to permit holder then this is considered a shared cost trip and complies with financial considerations

←

Are more than 50% of equipment and services for the trip provided by the non-permitted entity?

Yes
→

Non-Compliance

No ↓

Permit administrator must be notified of the details and organization of the trip. All fees collected must be reported. Permit-holder must maintain operational control of trip.
